Emergency Contact

With the closing of Ridgmont, in the event of an emergency, maintenance included, you will need to contact Becky Park at 814-648-0275. John & Kathy Clark have agreed to be the keeper of the master key since the closing of Ridgmont. **In the event of an emergency**, providing they are home, they will have a key **to let emergency personal into your apartment if you are not able to open your door.** Example if you have fallen & can't get up to open the door for help. If you are not home, they WILL NOT let anyone into your apartment. Any questions or concerns, please see Becky in the office.

Please remember if you have a maintenance emergency, which I have identified on the attached sheet, please call Becky Park at 814-648-0275 to report. Decision will be made to send out maintenance or 3rd party contractor to resolve the issue. DO NOT WAIT until normal business hours.

Exciting Ridgway News!!

A new Senior Center "Senior Junction of Ridgway" is open. It is located at the West End Fire Hall & open Tuesday – Thursday. Lunch is served those 3 days. You must RSVP the business day prior to having lunch. Lunch is by donation, \$4-\$5, suggested amount.

August calendars will be posted on the bulletin board in the Community Center. You can check the Saturday Ridgway Record, senior citizen section of the paper, for added monthly events at the center.

Monthly Birthday Parties

This is a way to celebrate tenant birthdays with neighbors at the Village Community. October will be the last month until spring.

August – Management/Becky Park
September – Becky Chenot
October – Jean Mercer

Apartment Inspections

Inspections have been completed. For the most part, everyone is working hard to keep the apartment in good, clean condition. Mark & I appreciated everyone's cooperation. Area we noted:
-White door frames, white doors & switches need to be wiped off where tenants are touching. They are dirty.

Farmers Market Vouchers Don't forget to use your \$10 vouchers to use at local Farmer's markets now thru November 30, 2024.

Volunteer Need

Need a volunteer from Village I to be the Emergency Call Leader for those tenants in that building. It is not something that takes much time, only when something needs communicated to all. It's quicker, takes less time to have the volunteer from each building make the calls for that building than one person making 20 calls, especially in the event of an emergency. Let Becky know if you are interested.
