

JEREMY TIPTON, PA-C

WOUND CARE

Jeremy Tipton, PA-C, is a wound care certified physician assistant with 15 years of experience. Jeremy provides treatment for chronic, non-healing wounds by identifying the specific causes of these conditions and initiating a treatment plan that is designed specifically for each patient. He uses state-of-the-art, customized treatment for wounds that have resisted healing despite months, or even years, of conventional treatment.

Education – Bachelor of Science, Physician Assistant Studies, Pennsylvania College of Technology, Williamsport, PA

Certification – National Commission on Certification of Physician Assistants

Member – American Academy of Physician Associates

Member – Pennsylvania Society of Physician Associates
